

Merger control and national security: key considerations for corporate transactions

[Financier Worldwide](#) discusses key merger control and national security considerations for corporate transactions with Lisa Navarro, Stuart Bedford, [Gerrit Rixen](#) (KPMG Law Germany), Helen Roxburgh and Annalie Grogan at KPMG.

Both merger control and national security reviews will increasingly affect the M&A market. Both are subject to an international development to increase their scope of application. (Gerrit Rixen, KPMG Law)
